

Residents of Polruan

My ref: Change of day
Date: 22 January 2015

Dear Resident,

Rubbish, Recycling and Garden Waste Collection

Recently changes have been introduced to our collection rounds with the intention of collecting all of the rubbish, recycling and garden waste (for subscribing residents) as early in the day as possible. This will enable us to clear the area of collection vehicles earlier in the day.

These changes mean that rubbish in particular is now likely to be collected from your property earlier in the morning than it has been previously. This might also be the case for recycling and garden waste.

Therefore would you please ensure that your refuse, recycling and garden waste is presented for collection by 7.00am on your collection day which remains Monday.

Although collections have always started from 7.00am, we do understand that people get used to the approximate times of their collections and can be in the habit of presenting it for collection later in the day.

If you have any queries regarding this please contact Cornwall Council on using the details below.

Yours sincerely,

Waste Management Department
