Those town/parish councils who had responded had been contacted again inviting them to lend their support to this body’s proposed change to CC’s social housing allocation policy; namely:</p> <p><i>“Allocation of social housing in a parish is to alternate between those deemed in desperate need, followed by an allocation to applicants with a connection to the parish. Town/parish councils to be consulted at every stage of the process.”</i></p> <p>The Clerk advised that to date three Parish/Town Councils (Calstock, Camelford and Illogan) had indicated they were happy with the wording. He felt strongly that there should be a referendum on the question of an elected Mayor. Cllr. Clare-Dunbavand said that at the very least PC/TCs should have their say. It was AGREED to put this last proposal to CC and to query the difference in funding between Level 2 and Level 3. Cllr.
